

ANIL JAISWAL

FULL STACK LARAVEL DEVELOPER

PROFESSIONAL EXPERIENCE

I am a Laravel Full Stack Developer with internship experience in designing and developing dynamic, scalable web applications using Laravel, PHP, MySQL, HTML, CSS, JavaScript, Bootstrap, and REST APIs.

During my internship at Softflew Technology Pvt. Ltd., I worked on real-world projects and contributed to both frontend and backend development, including RESTful API creation, authentication and authorization, database integration, and responsive UI development.

WORK EXPERIENCE
